

Re: [REDACTED] Alien # [REDACTED]

To Whom It May Concern:

My name is [REDACTED] and I am a resident of the State of Ohio. My address is [REDACTED], Cleveland, [REDACTED]. I have U.S. citizenship, and have been in the U.S. for over 17 years, and have lived in Cleveland the entire time. I am married to G [REDACTED], and we have three children, ages 6, 8, and 9. My husband and I have a successful business called [REDACTED], which is located at [REDACTED] Cleveland, Ohio. Our business has done very well, and we [REDACTED] for many places such as schools and the city of Cleveland. My husband and I also have a close relationship with our church, Church of God, [REDACTED] in Cleveland.

I have never met K [REDACTED] in person, but my husband told me about what a wonderful person he is, and if you allow him to leave the prison I will welcome into my home like a member of the family. After hearing his story and how amazing of a kid K [REDACTED] is, I want to do anything I can to help him, because he came here without any support, and having children myself, I would never want that to happen to anyone. If K [REDACTED] is allowed out, he will stay with us and I will help provide him with a loving family relationship. I will make sure that he fulfills all of his obligations and that he goes to all of his court dates. I will also help him attend school and English classes, and become financially stable and a contributing member of our community, including the business and church community of Cleveland. He will have a job in our business if he is able to get a work permit and wants to work with us, and we will support him in any career he chooses. I ask that you please allow K [REDACTED] to come live with us so we can provide him the loving, family environment he is lacking here.

Please feel free to call me at [REDACTED] if you have any questions.

Sincerely,

[REDACTED]
